YOUR STYLE, SELF MADE

Victorian

La passione per gli anni 40, simbolo dello stile metropolitano parigino, che in Victorian ritrovano il loro massimo splendore, con un diamantato elegantemente proposto in abbinamento a strutture più regolari. Victorian é la modernizzazione, per il suo formato di estrema attualità, di uno stile intramontabile, in grado di creare ambienti luminosi e dinamici con un gioco di luci e ombre estremamente suggestivo.

The passion for the 40s, symbol of a parisienne metropolitan style, is what Victorian express at its best, with a bevelled-edge elegantly proposed together with more regular options. Victorian is a new design adaptation of a timeless style, able to create bright and dynamic interiors that play with the evocative contrast between light and dark.
